PIPPIN

*St. John Vianney Prep Seminary
Richmond, Virginia*

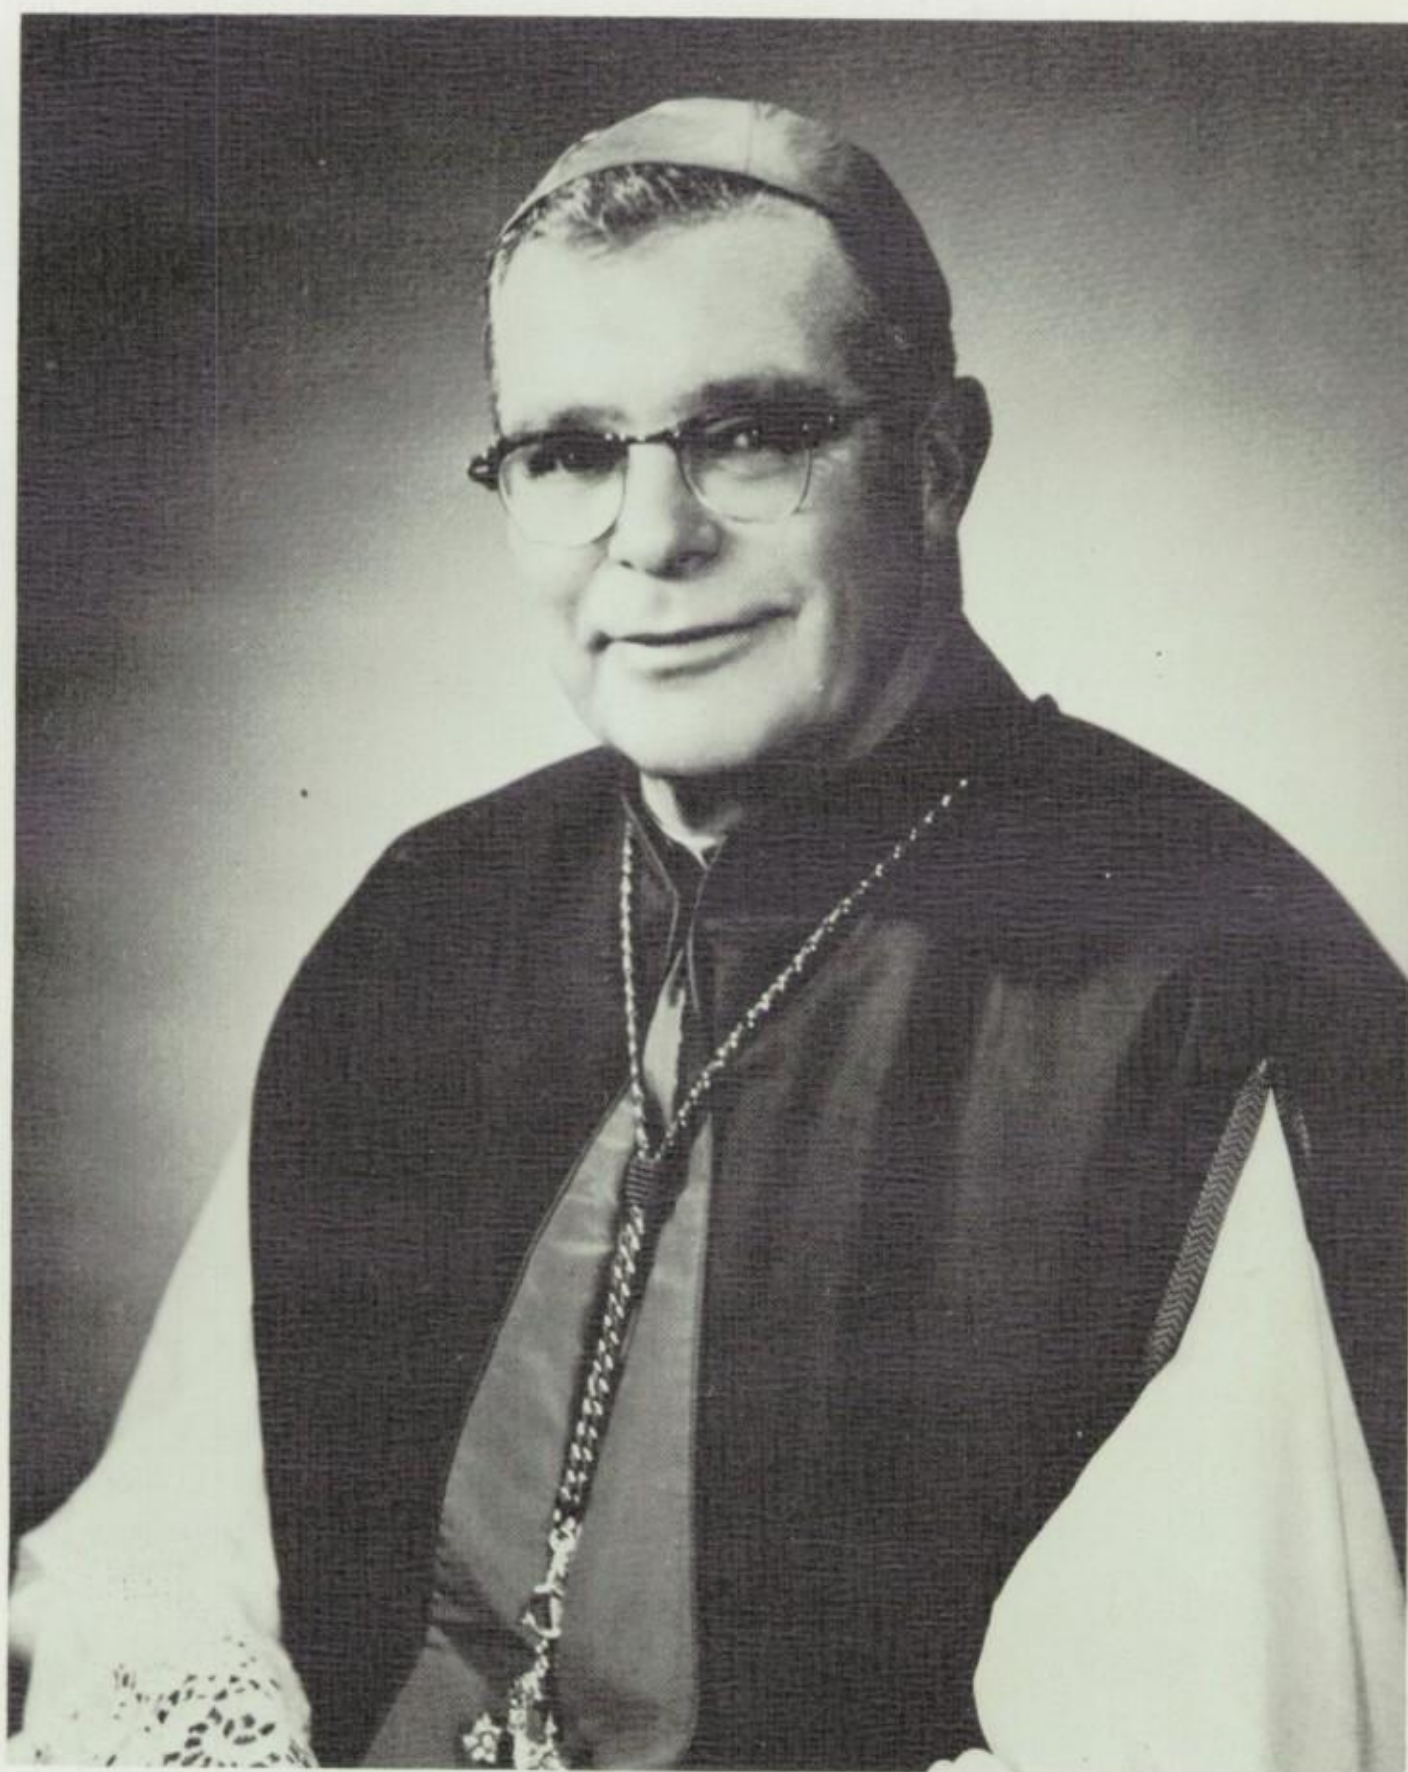

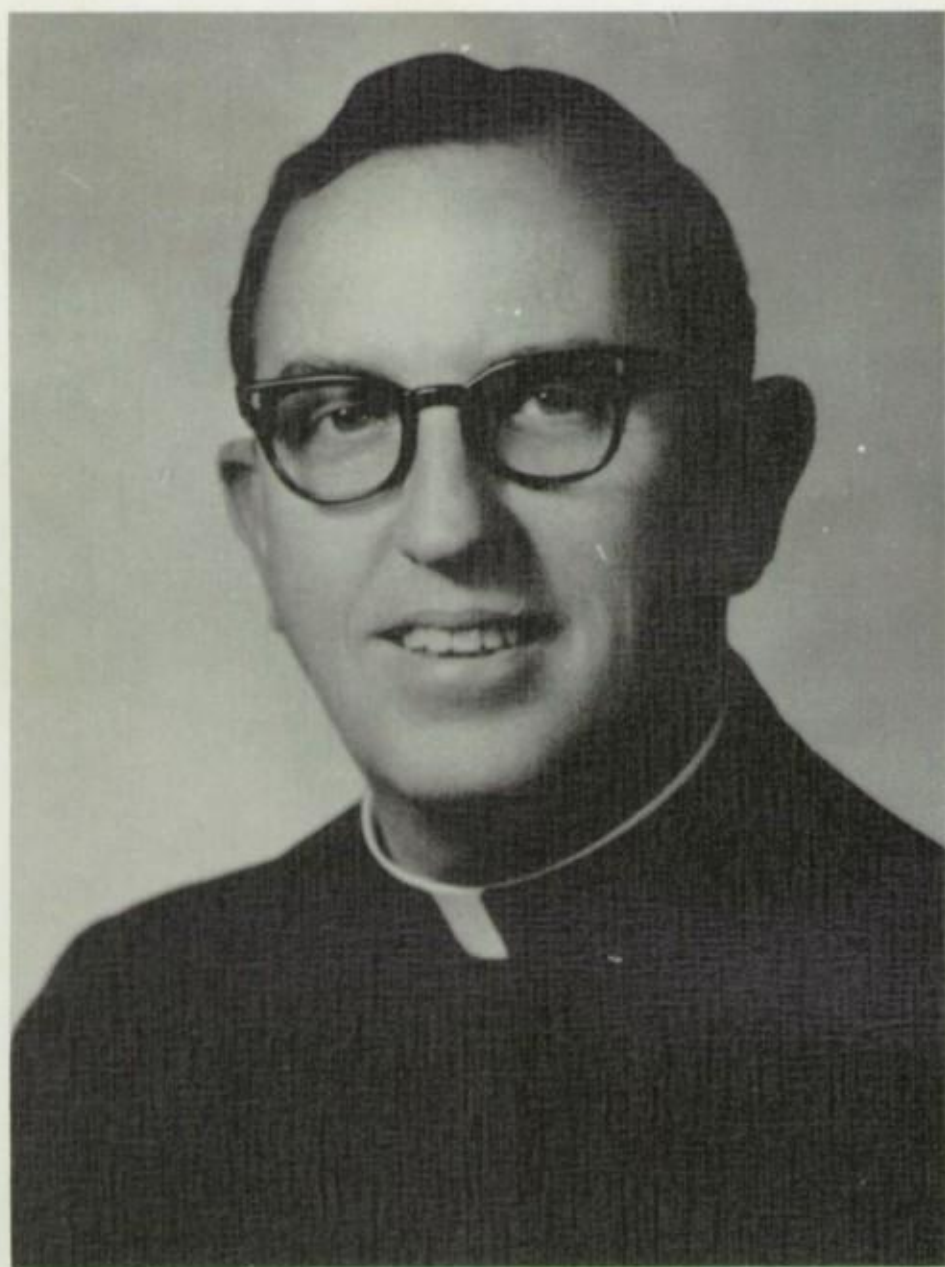

Join us — leave your field to
flower
Join us — leave your cheese to
sour
Join us — come and waste an hour
or two
Doodle-ee-doo
Journey — journey to a spot
exciting, mystic and exotic
Journey — through our anecdotic
revue
We've got magic to do
Just for you
We've got miracle plays to play
We've got parts to perform
Hearts to warm
Kings and things to take by storm
As we go along our way
Illusion — fantasy to study
Battles — barbarous and bloody
Join us — sit where everybody can
see
We've got magic to do, magic to
do
Magic to do, magic to play
We've got foibles and fables to
portray
As we go along our way

Think about the sun, Pippin
Think about her golden glance
How she lights the world up
Well, now it's your chance
With the guardian of splendor
Inviting you to dance
Pippin
Think about the sun

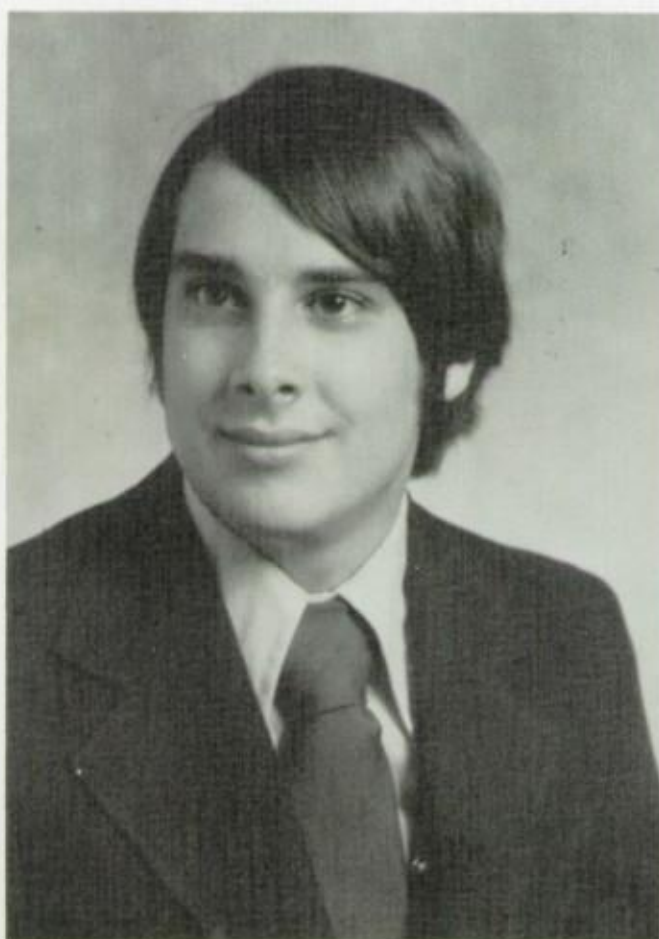

Think about your life, Pippin
Think about the dreams you planned
Think about the moment
that's so close at hand

When the power and the glory
Are at your command

Think about your life

Terence K. Donovan

Jorge E. Ochoa

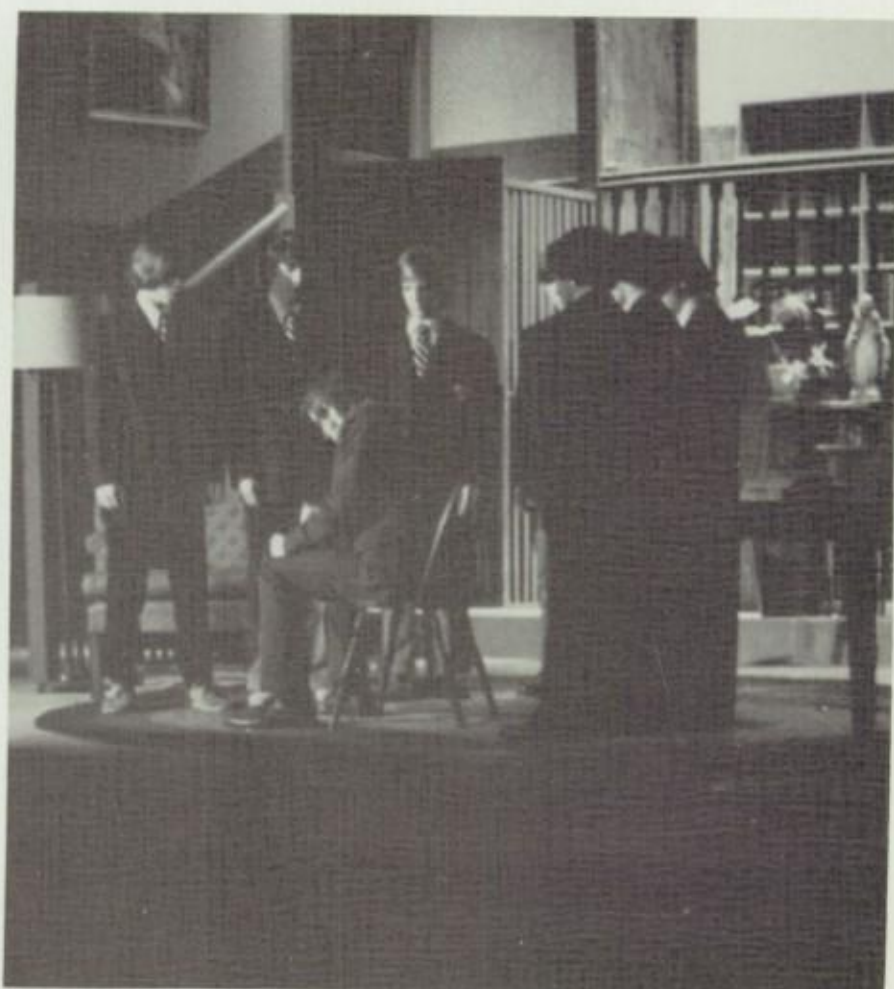

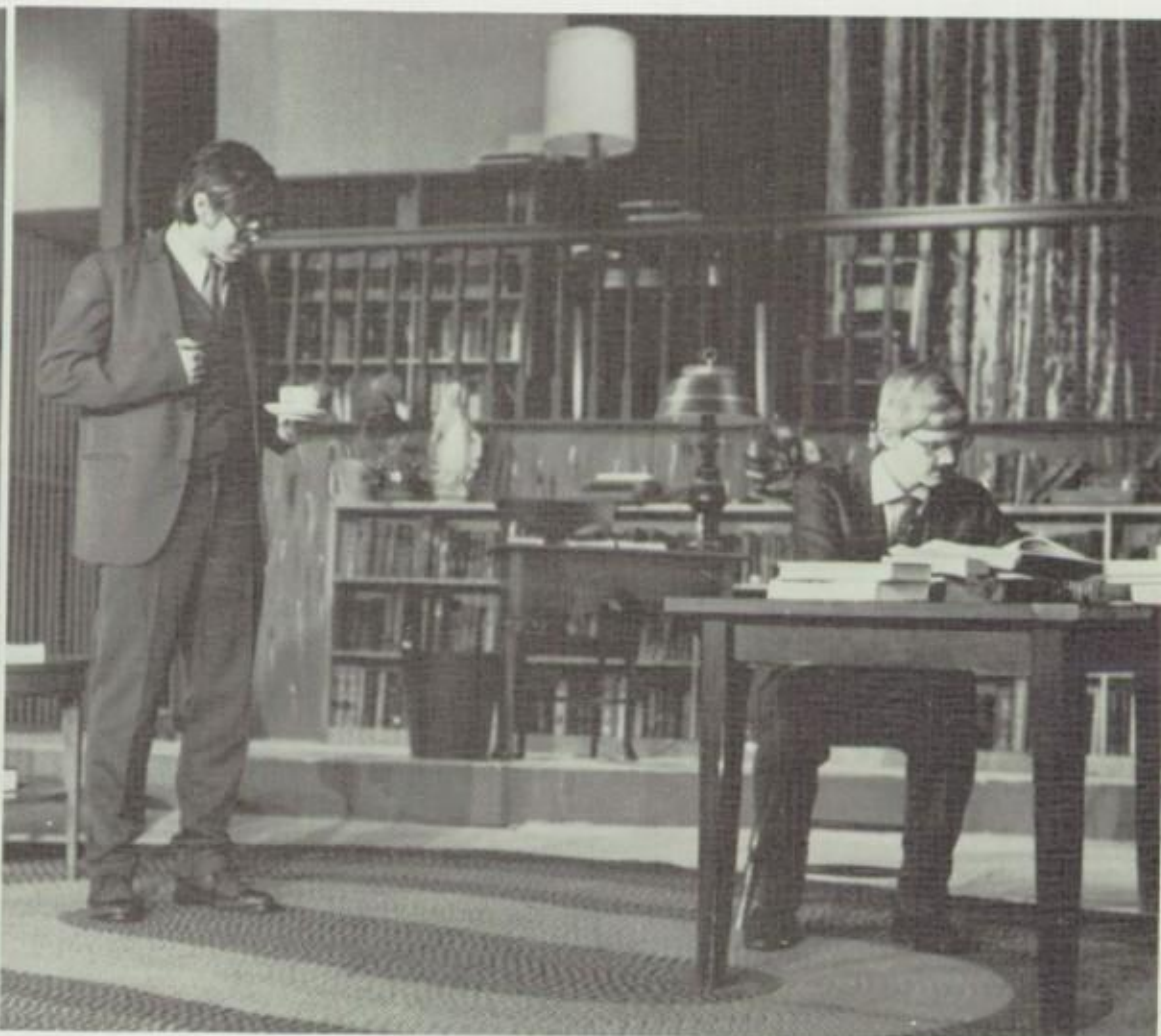

Patching the roof and pitching the
hay
Is not my idea of a perfect day
When you're extraordinary
You gotta do extraordinary things
I'm not the type who loses sleep
Over the size of a compost heap
When you're extraordinary
You think about extraordinary
things
If the moat won't stop leaking
And the goat won't stop shrieking
And the Griffin keeps losing its
hair
And the west wing is rotting
And our best wine is clotting
Well, I'm terribly sorry, But I don't
care
I've got to be someone who lives
All of his life in superlatives
When you're extraordinary
You gotta do extraordinary things.

Morning glow, morning glow
Starts to glimmer when you know
Winds of change are set to blow
And sweep this whole land
through
Morning glow is long past due

Morning glow, fill the earth
Come and shine for all you're
worth
We'll be present at the birth
Of old faith looking new
Morning glow is long past due

Oh, morning glow
I'd like to help you grow
We should have started long ago
So

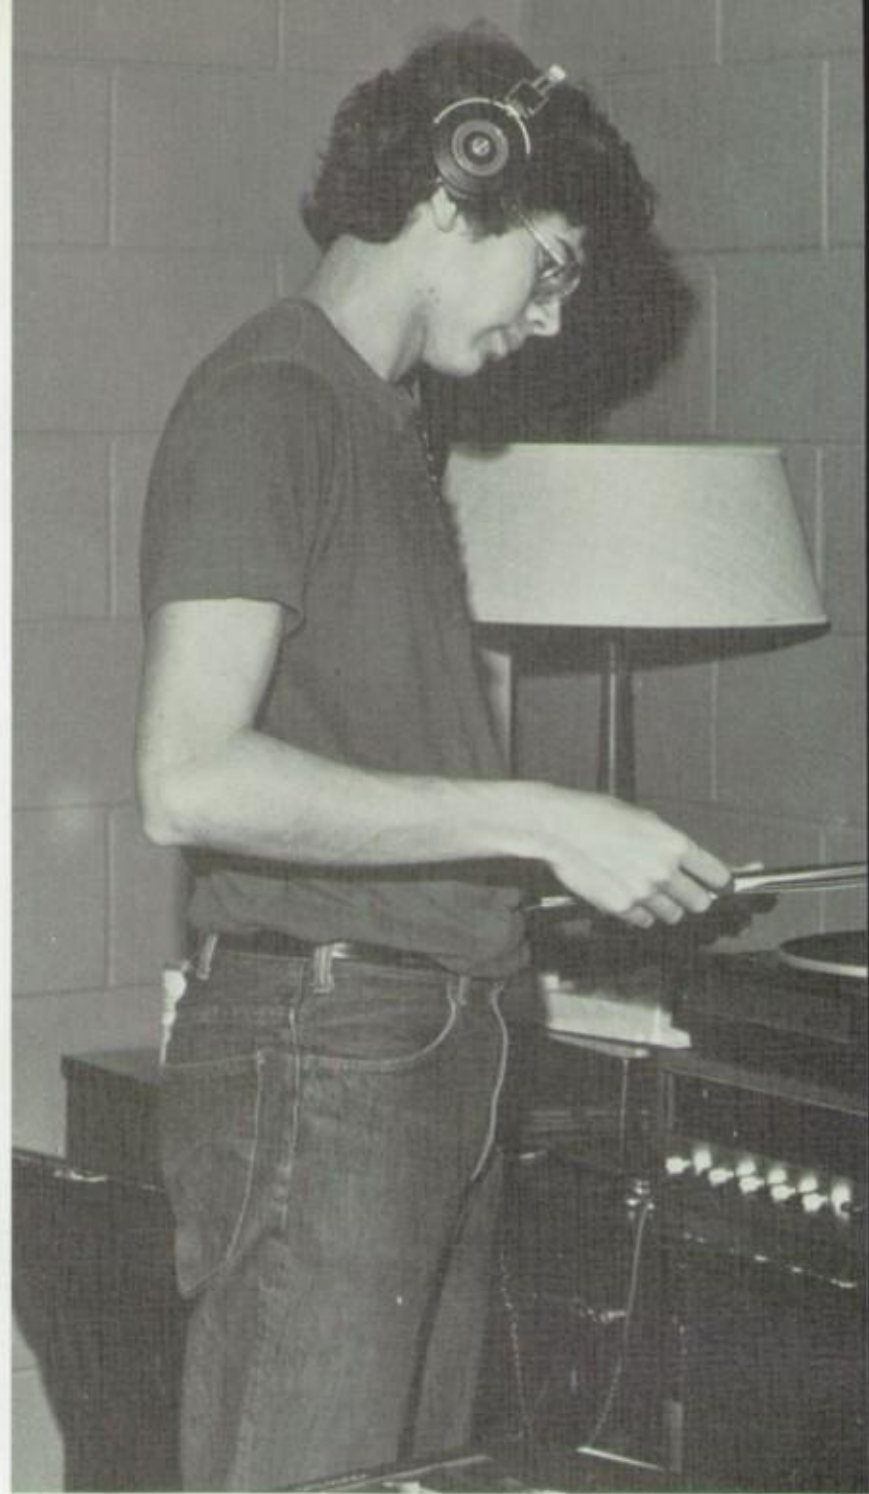

Morning glow all day long
While we sing tomorrow's song
Never knew we could be so strong
But now it's very clear
Morning glow is almost here

Morning glow, by your light
We can make the new day bright
And the phantoms of the night
Will fade into the past
Morning glow is here
At last

*Give me a chance
and give me my wings
and don't make me think
about everyday things*

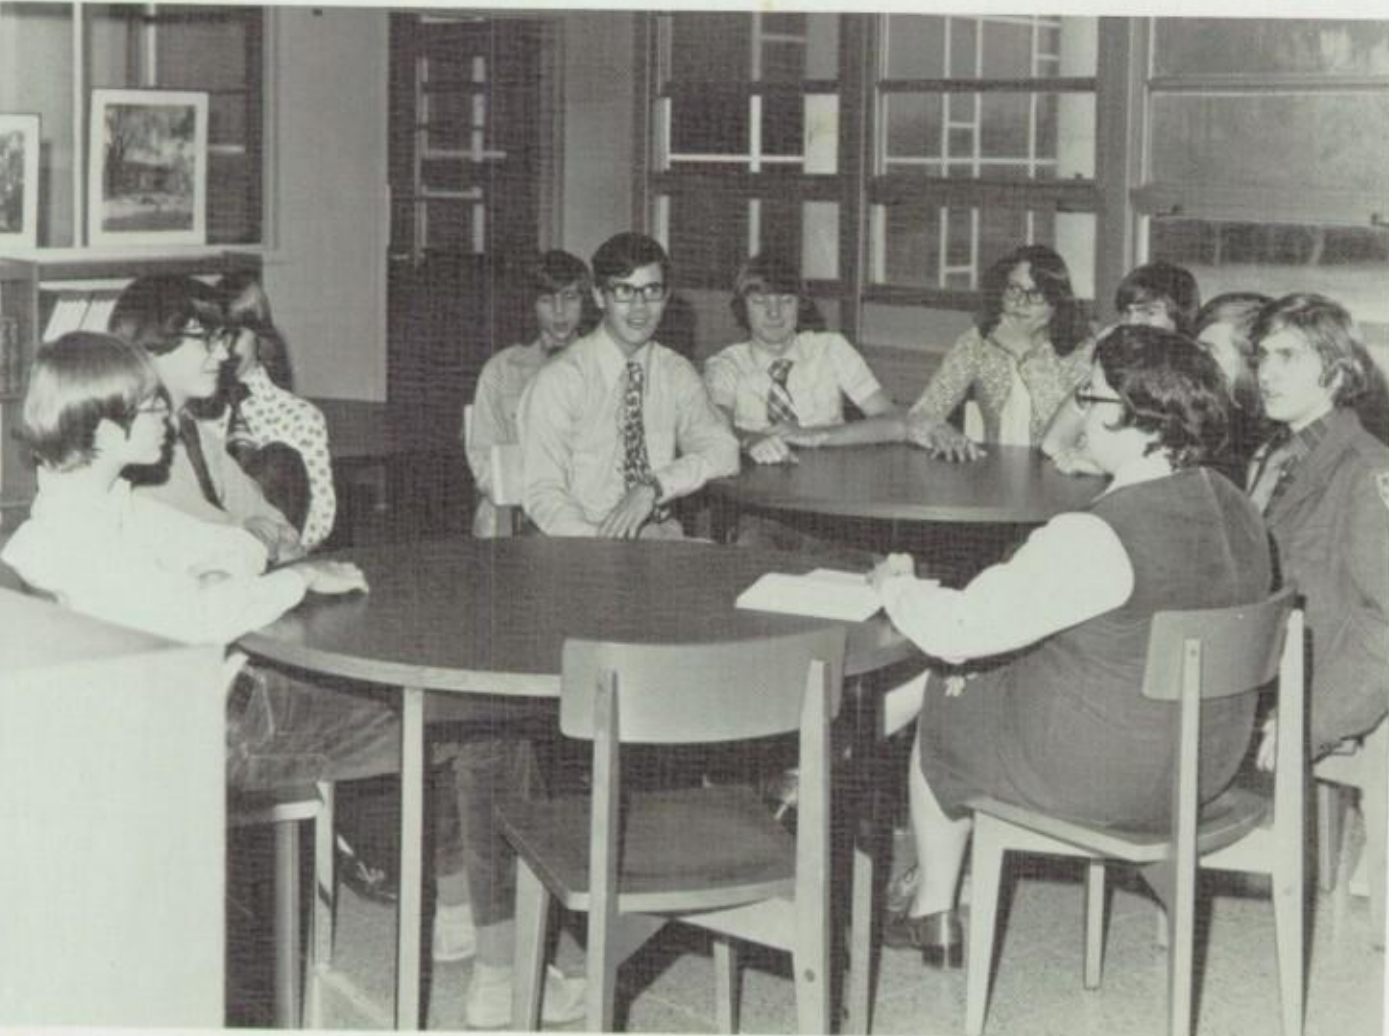

Oh, morning glow

I'd like to help you grow

*And time weaves ribbons of memory
to sweeten life when youth is through
But I would need no memories there
if I could share
my life
with you*

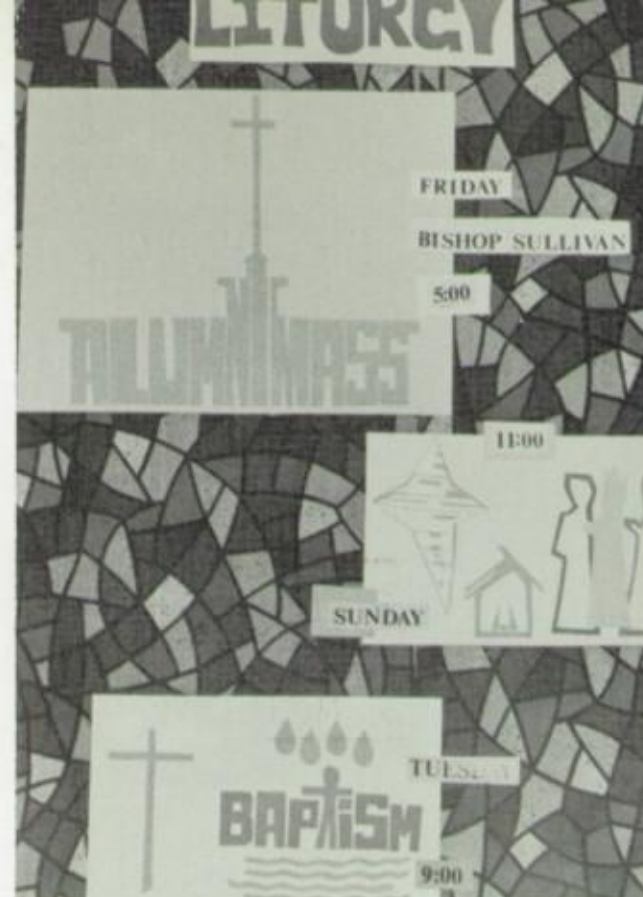

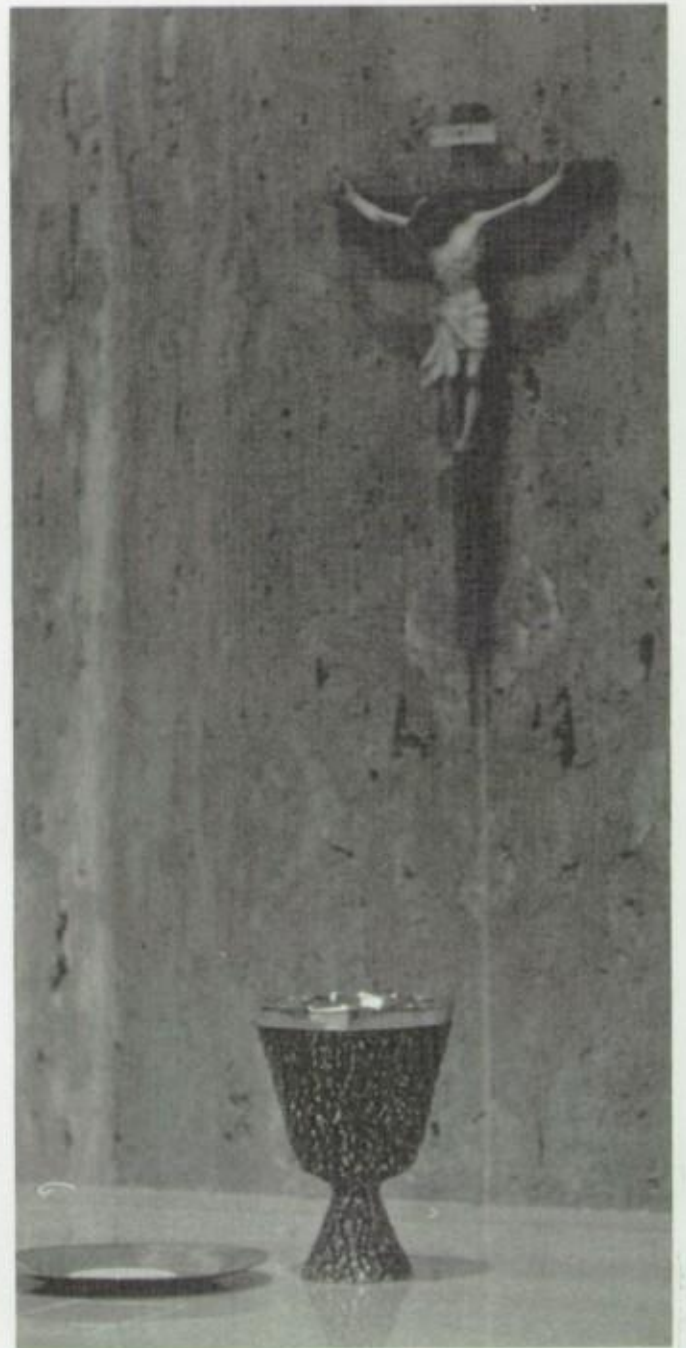

Morning glow . . .

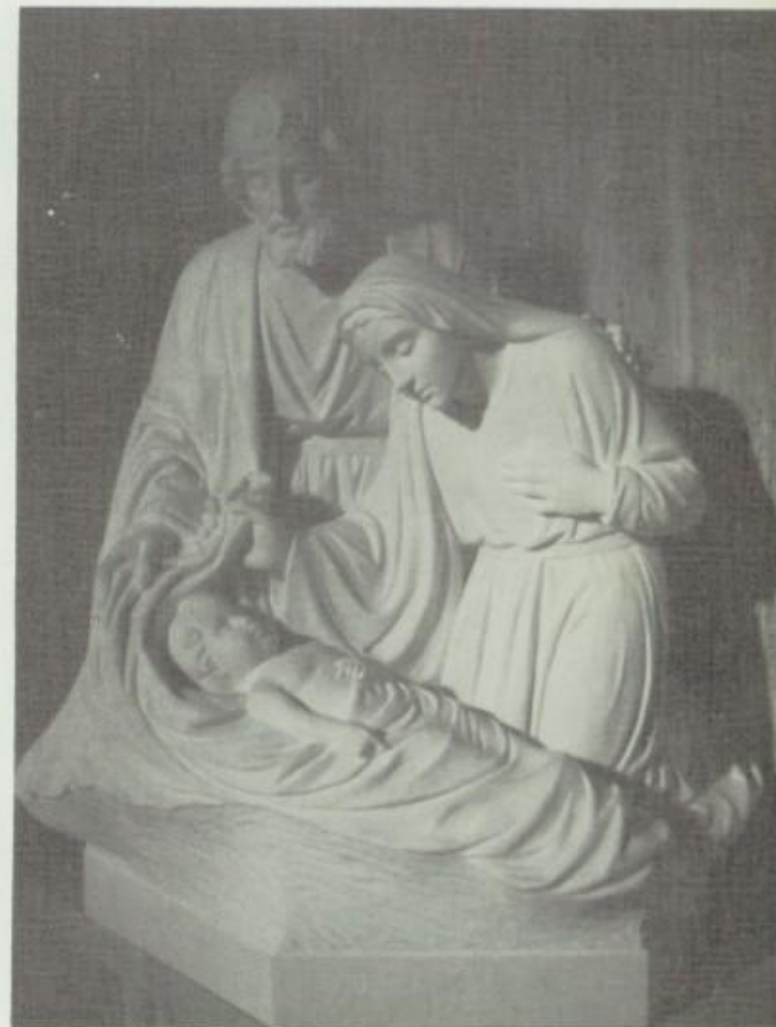

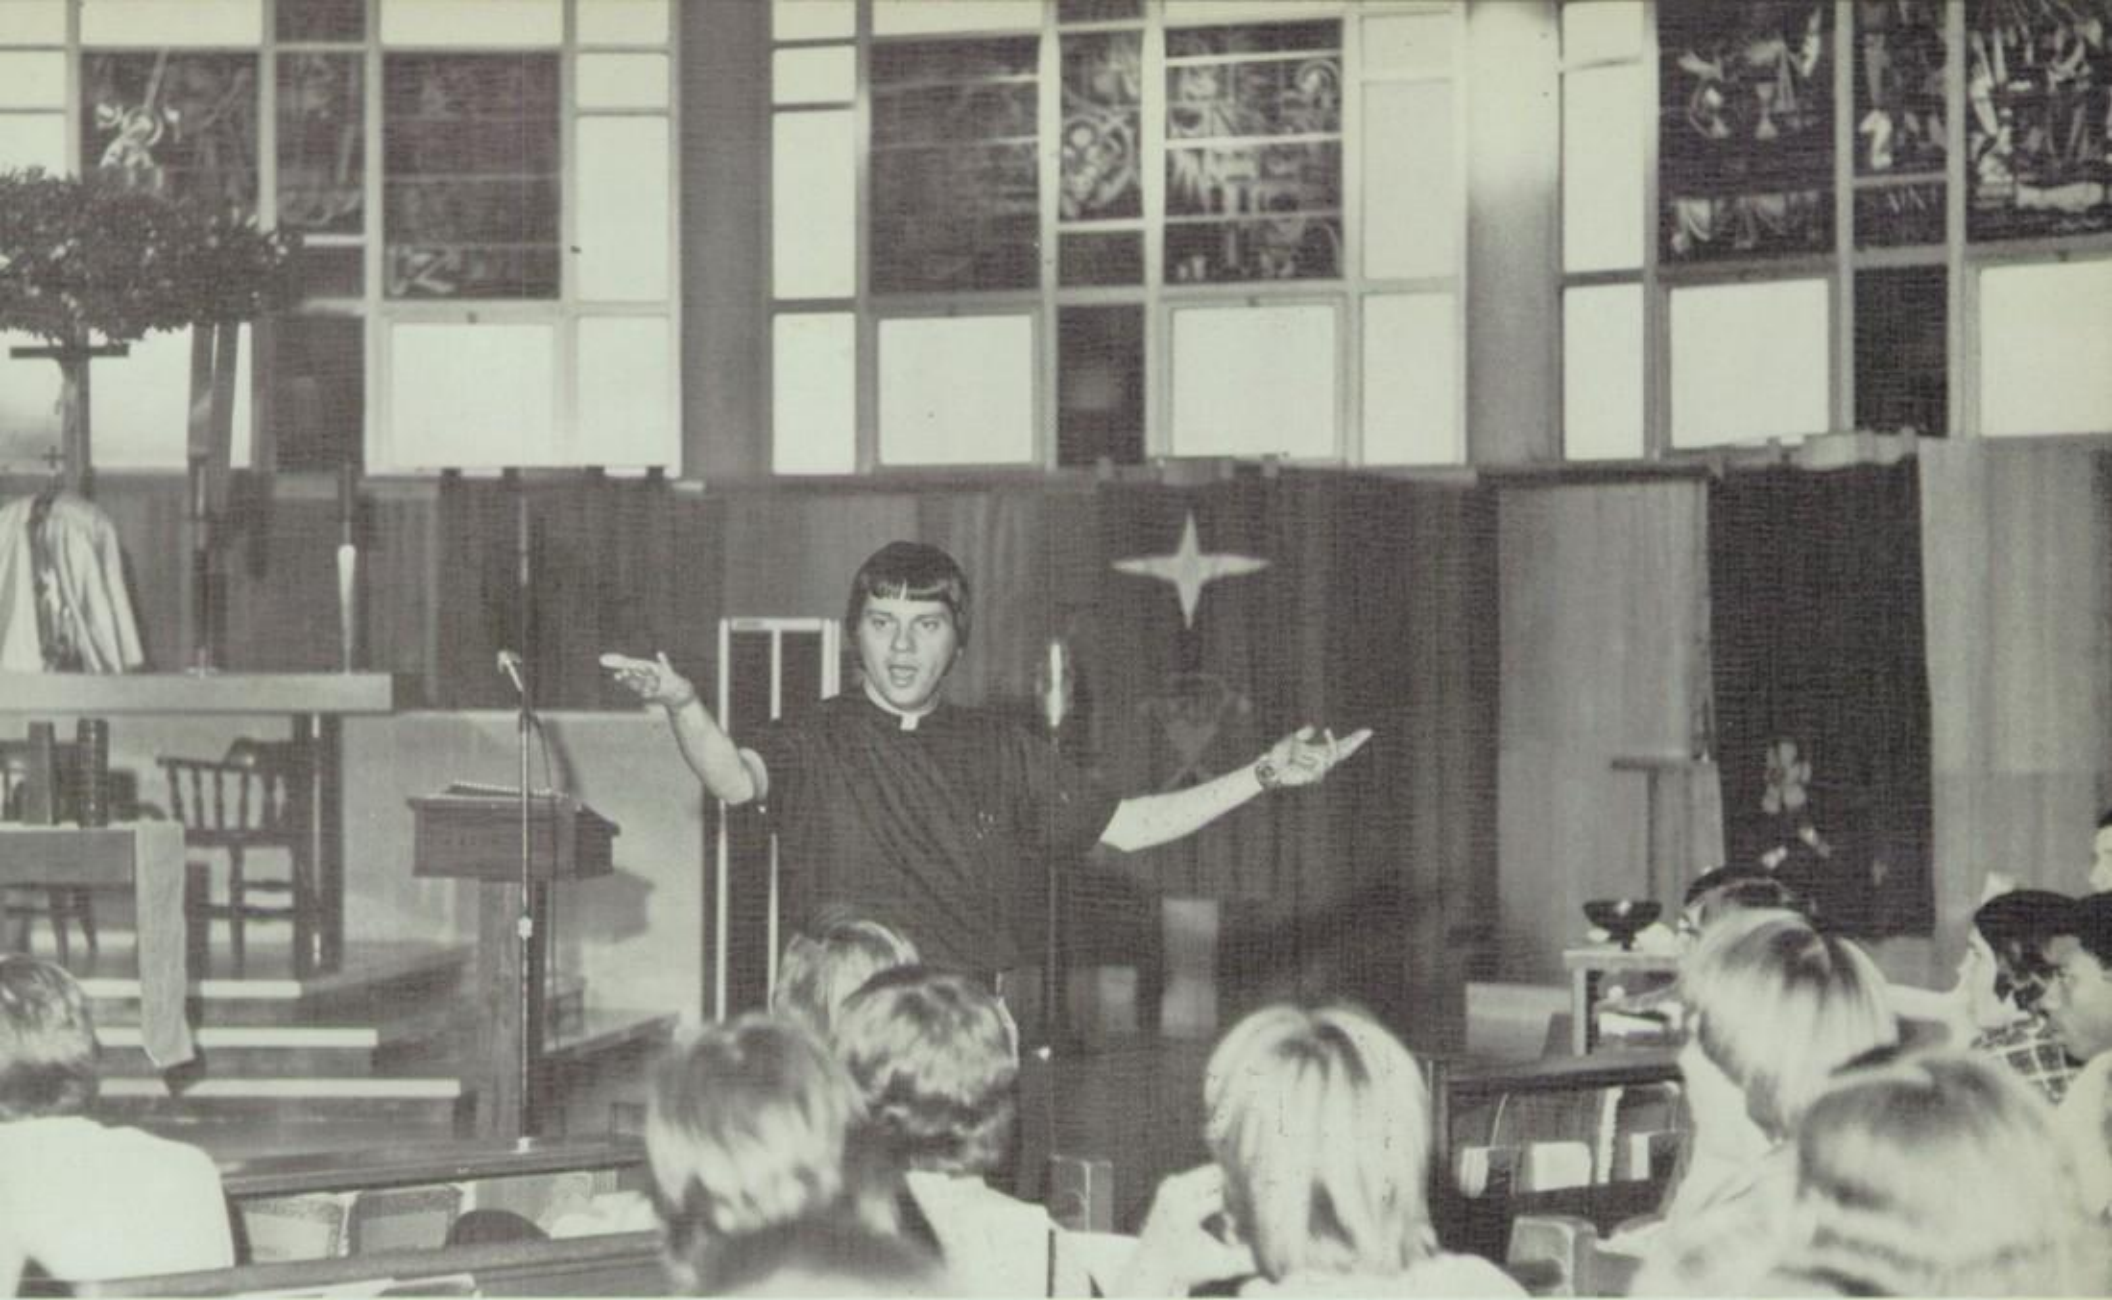

. . . All day long

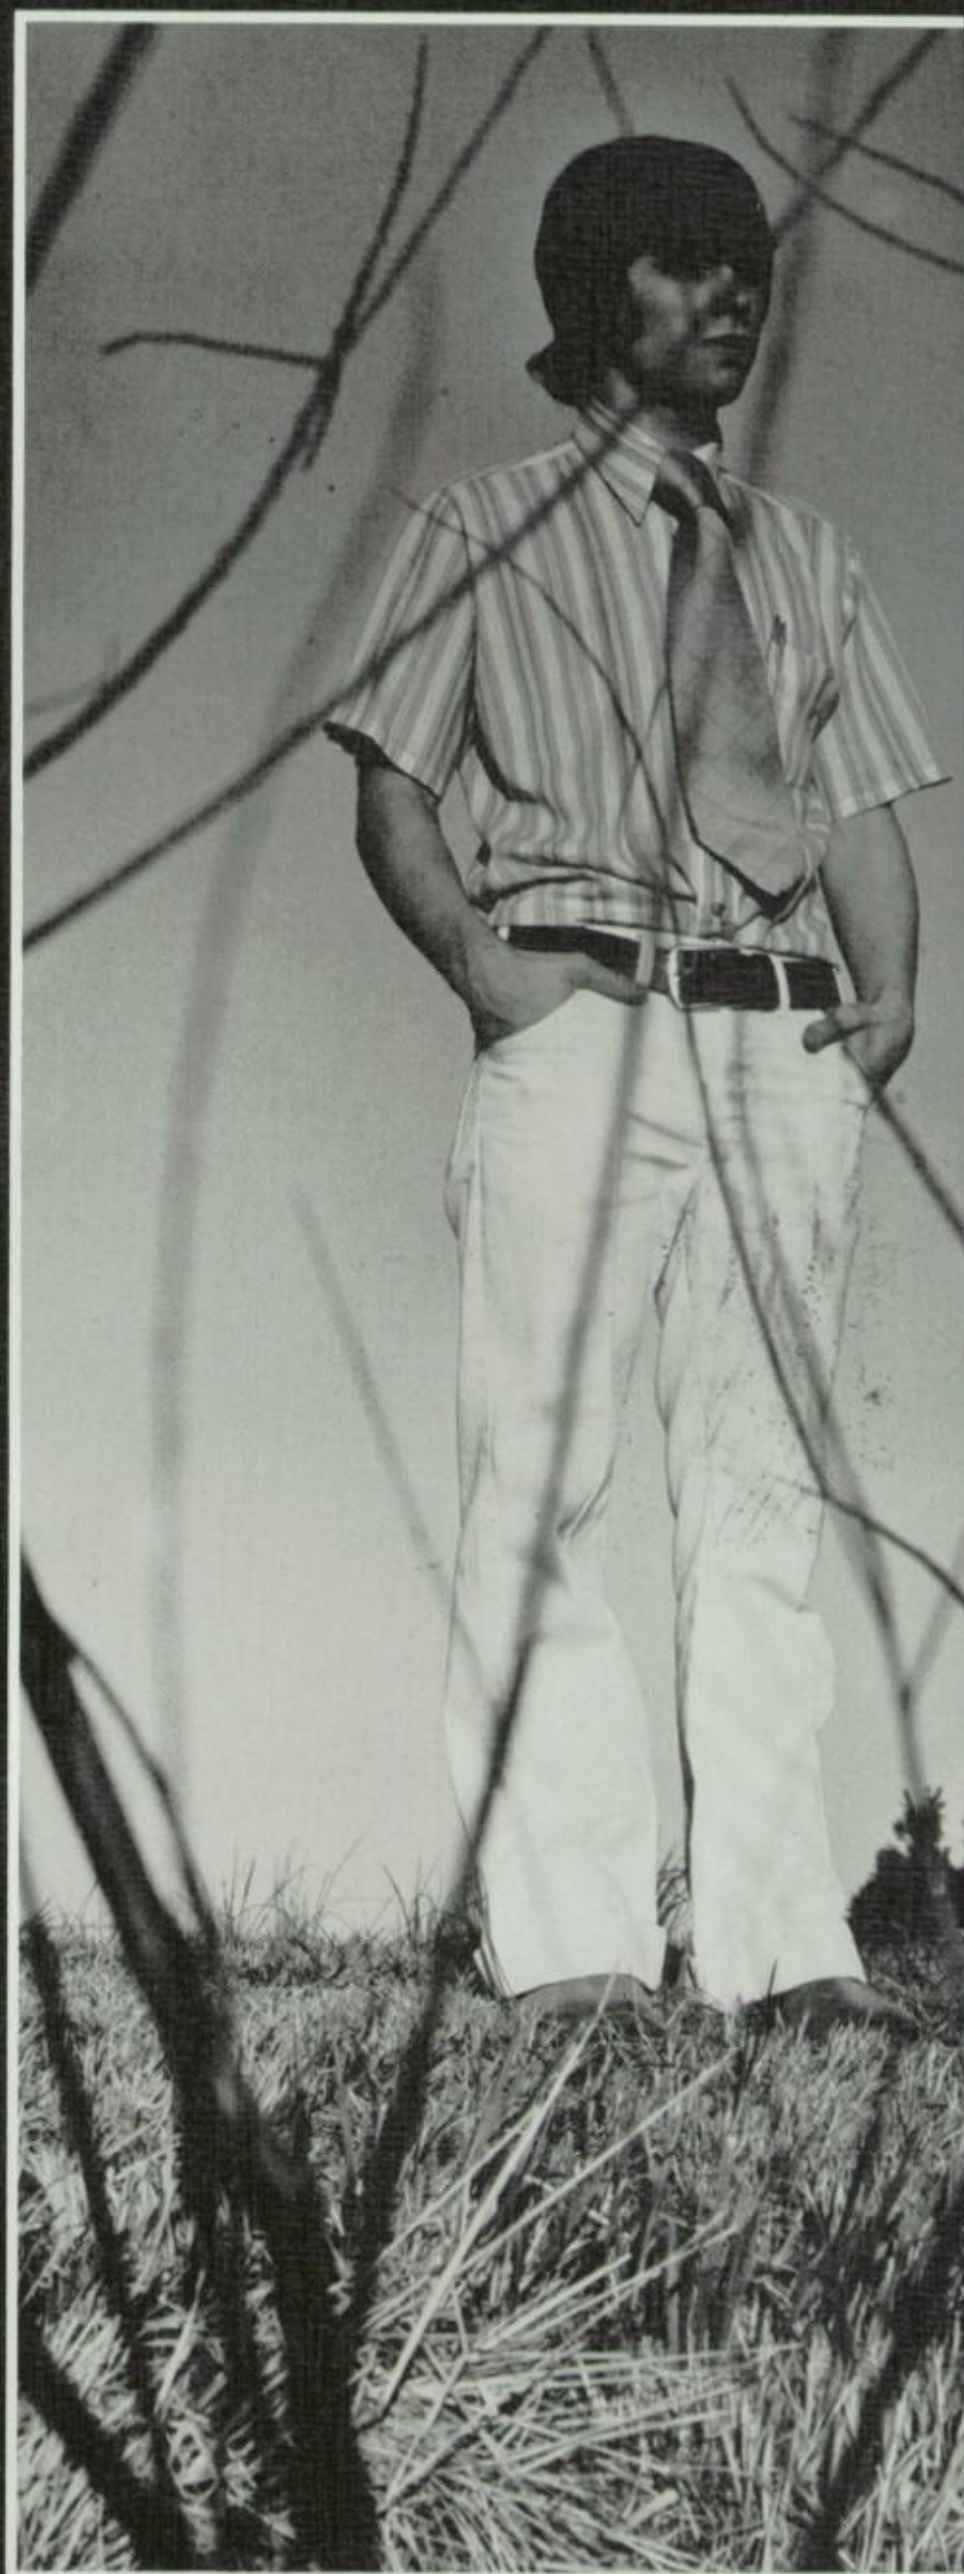

*While we sing
tomorrow's song*

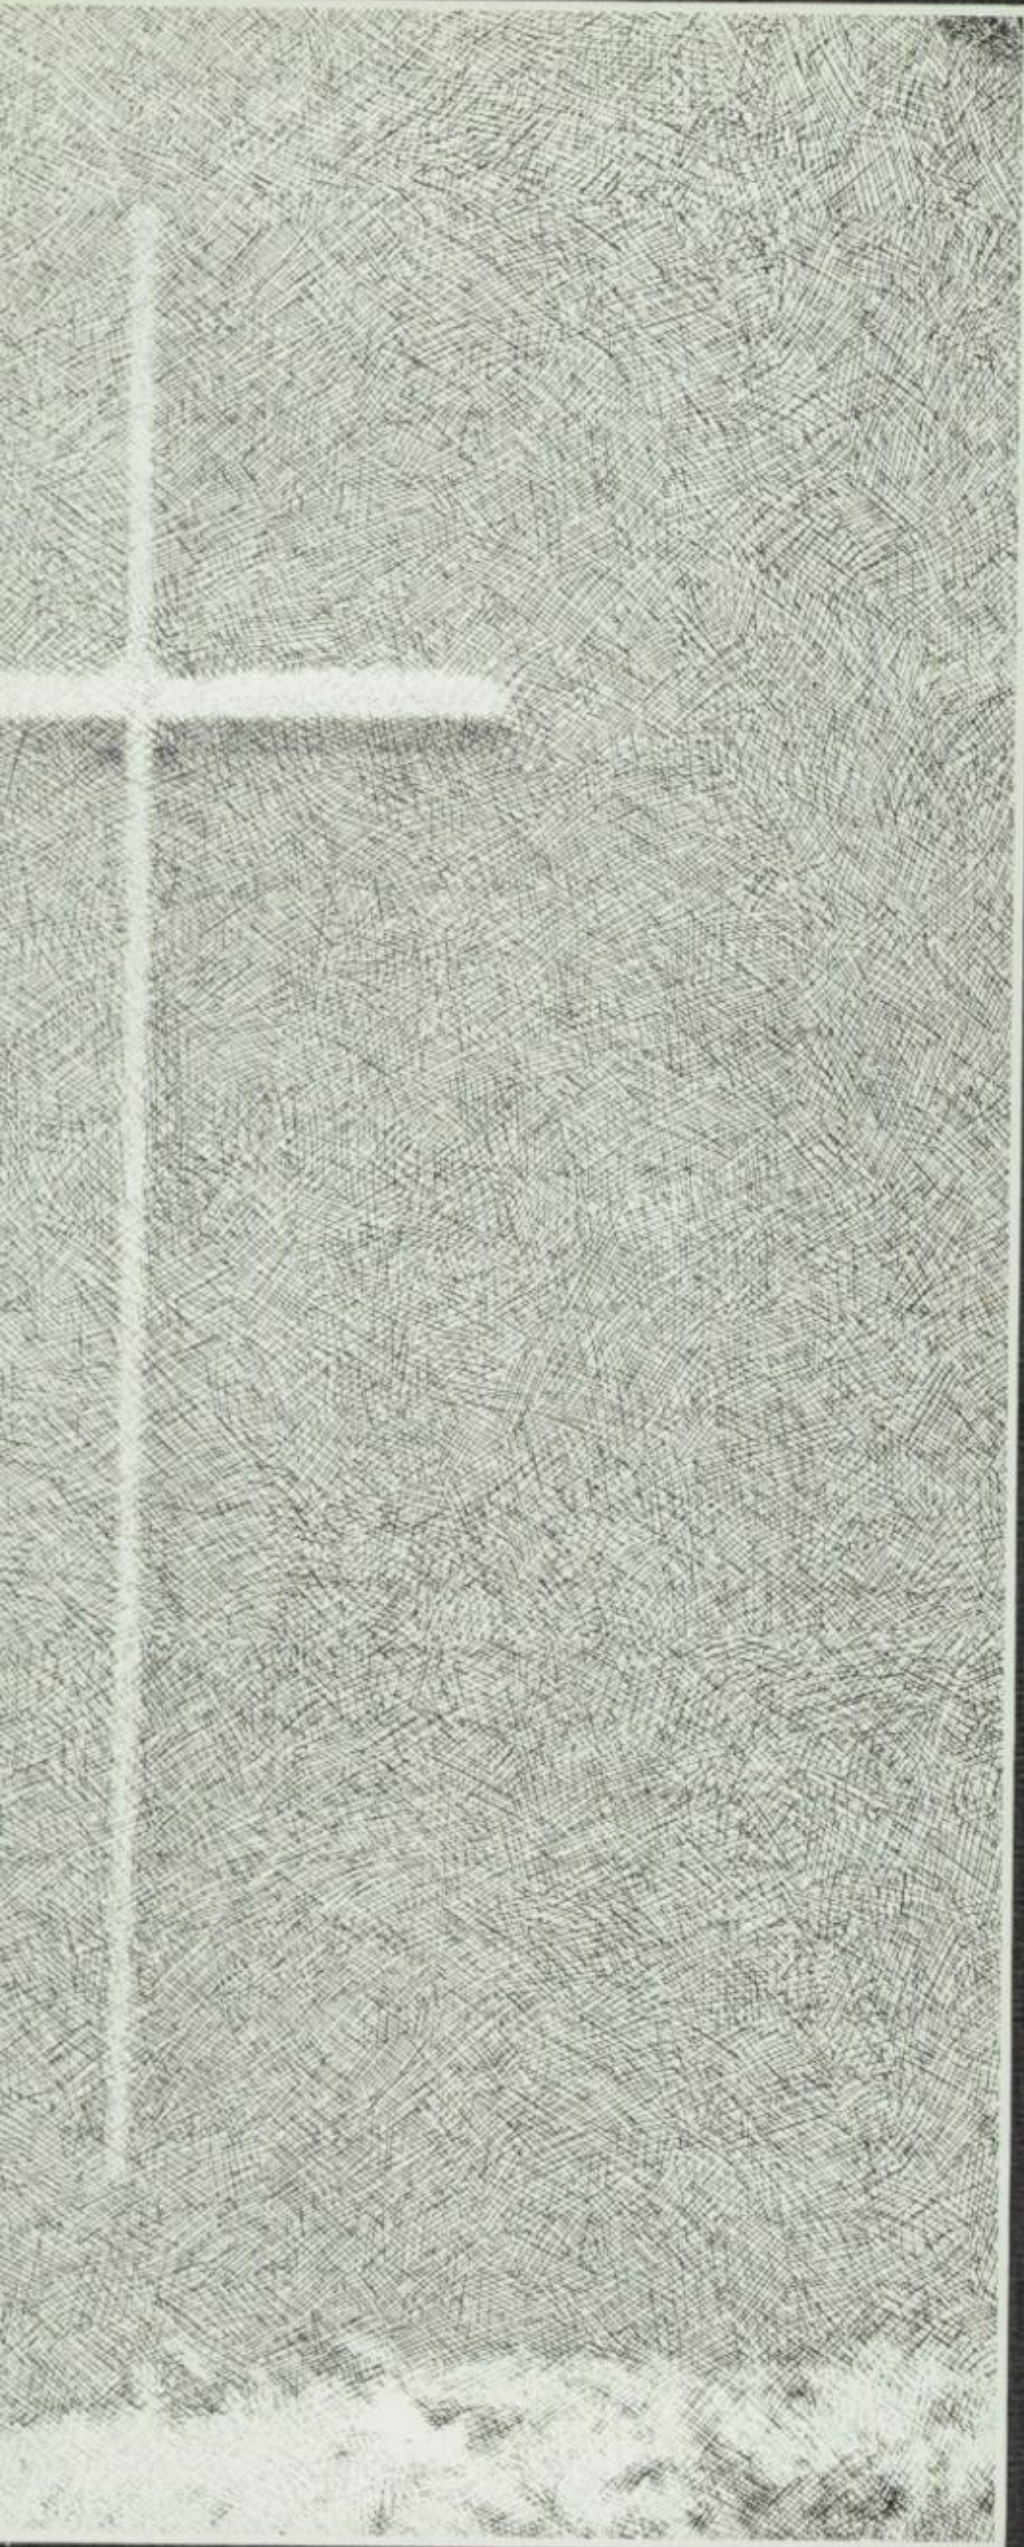

So many men seem destined
To settle for something small
But I won't rest until I know
I'll have it all
So don't ask where I'm going
But listen when I'm gone
And far away you'll hear
me singing
Softly to the dawn!

Rivers belong where
they can ramble
Eagles belong where
they can fly
I've got to be
where my spirit can run free
Got to find my corner
of the sky.
